Dear FCC:

I am writing to complain about the proposed changes to the Universal Service Fund and requesting that the FCC investigate this matter further before changing the current policy. Your proposed \$1.00 per month charge for all wireless phones will directly impact my ability to retain my wireless service.

I do not think it is fair to charge EVERYBODY \$1.00 dollar regardless of how they use their wireless phone, especially for a low-volume user that relies on wireless service for safety and security, not interstate calls. The current policy is fair, based on interstate usage, and should be left alone. Please do not penalize us. Keep this fair.

I'am SENIOR CITIZEN on a fixed income, a diabete of 39 years, my ins. & druges are to high now. And I cant afford a HIGHER phone BILL. And I use my wireless phone alot

PLEASE RECONSIDER

THANK YOU
